

Course: EMT-BASIC

Date: March 1, 2003 – June 12, 2003
State EMT-B Test: June 18, 2003

Time: Monday 1900-2200
LAB: Wednesday 1900-2200 OR Thursday 1900-2200
(Indicate Which Lab Night, Wednesday or Thursday)
Saturday 0900-1600

Location: Loudoun County Training Division

Registration: TD-TR required by COB 2/26/03 w/attached Pre-Requisites

Special Information: This class will have a lecture day every Monday for all students. Wednesday and Thursday will be 2 lab days. **The student is required to choose which lab (Wed or Thurs) they are requesting.** Each lab has a max # of students. Once that lab is full, students will be rolled over to the other lab night with a phone call/email to follow. Saturdays will be joint training days. CPR-HCP and HazMat Operations are pre-requisites. Please attach copies of certifications to TDTR or copy of TDTR requesting classes. **TDTR without pre-requisite certifications/TDTR attached will be returned.** If you are enrolled in the CPR or HazMat Awareness class @ the TC please indicate it on the TDTR.
